Options and Futures admitted to trading on a trading venue

Execution factors

The execution factors listed below indicates the order of relative priority which typically was given to them. However, a variety of criteria was taken into account when assessing their prioritization in relation to circumstances for each specific transaction.

- Price;
- Speed of execution;
- Market liquidity and volatility;
- Size and nature of the order;
- Likely market impact (which may affect the way SEB SA executes, for example as a block or by partial execution);
- Market availability and opening hours;
- Nature of the market for the financial instrument;
- Any other consideration deemed relevant to the execution of an order

Brokers

The largest part of the clients' orders was executed through SEB AB acting as a broker. SEB AB is the mother company of SEB SA.

SEB SA did not have any specific arrangements with any broker regarding payments made or received, discounts, rebates or non-monetary benefits other than general discounts or rebates that trading venues offer in their public fee list.

Clients

All clients trading Equity Derivatives with SEB SA received pricing based on the same underlying market price.
