**NOTICE TO FORMER UNITHOLDERS OF  
SEB Absolute - SEB Global Equity Long/Short**

Dear client,

We are writing to you as a former unitholder of SEB Absolute – SEB Global Equity Long/Short. The fund went into liquidation as of 4 April 2012 due to a substantial redemption request.

The first reimbursement payment representing the majority of the fund's holdings was distributed to unitholders in mid-August 2012. The second payment in June 2013 finalised the liquidation.

Recently, an unexpected receivable from one of the fund's former holdings was received by the Management Company. As a consequence of this receivable, you as a former unitholder will be sent an additional reimbursement payment. The payment will be in proportion to the units you held in the liquidated fund.

Sincerely,  
The Management Company
